

Home Missions Mission-Vision Statement

Mission Statement:

Our mission is to develop curriculum for multilevel home bible studies. To train prospective teachers how to teach the material; and ensure they have the knowledge and experience necessary to teach the level of curriculum assigned to them.

Vision Statement:

Our vision is to:

1. Provide a comfortable atmosphere for non believers to hear the gospel.
2. To lead people into a saving knowledge of, and relationship with Jesus Christ.
3. To develop strong, doctrinally sound Christians who know what they believe and why they believe it.
4. Promote spiritual and doctrinal growth among our current church members.
5. Engage as many people as possible in the discipleship of new believers.

Goals:

Our goals are to:

1. Develop a guideline for teaching home bible studies with a few generalities concerning teaching style and hospitality.
2. Develop a Phase I basic salvation home bible study curriculum that is easy to teach with plenty of scripture for the beginner.
3. Develop a Phase II home bible study curriculum with teaching on the Godhead, Holiness standards, Personal disciplines (faithfulness to church, necessity of developing of a prayer life, necessity of studying the word). This may also include an overview of the whole bible using "Search for Truth"
4. Develop a Phase III home bible study curriculum using in depth theology from bible studies such as Ralph V. Reynolds' "Alpha Bible Course" or Nathaniel Wilson's "The Pastor's Course."
