

Outreach Department Mission-Vision Statement

Mission Statement:

Our mission is to reach this city for Jesus Christ. We will endeavor to teach the whole word of God with love and compassion for the lost, but without compromising the doctrine as set forth by that word.

Vision Statement:

Our vision is to:

1. Provide a comfortable atmosphere for non-believers to hear the gospel.
2. Lead people into a saving knowledge of and relationship with Jesus Christ.
3. Develop strong, doctrinally sound Christians who know what they believe and why they believe it.
4. Promote spiritual and doctrinal growth among our current church members.
5. Engage as many people as possible in the discipleship of new believers.
6. Startup and support home missions churches for qualified, “called” men of God who have proven themselves faithful.
7. Send out and support missionaries in the field.

Goals:

Our goals are to:

1. Develop a Home bible study department in order to maximize our outreach efforts.
2. Develop a Homeless Shelter ministry to reach out to those, who due to life’s circumstances, are less fortunate than we.
3. Develop a Battered Women’s Shelter ministry to help with the healing that will need to take place in the lives of those who have been victimized.
4. Develop a Rest Home ministry to comfort those who due to age, illness or injury, are unable to function independently in the world.
5. Develop a Prison ministry to help resuscitate and rehabilitate those whom the devil has devoured.
